

TREES

Botanic Name	Common Name	Noteable Characteristics	Pot Size	Height	Price
Acer ginnala 'Flame'	<a href="#">Flame Amur Maple</a>	red fall foliage, 15'	12 gal	250 cm	
Acer 'IsINW'	<a href="#">North Wind Japanese Maple</a>				
Acer palmatum 'Bloodgood'	<a href="#">Bloodgood Japanese Maple</a>	new foliage brilliant red turning purple-red in summer	7 gal	150 cm	
Acer palmatum 'Bloodgood'	<a href="#">Bloodgood Japanese Maple</a>	new foliage brilliant red turning purple-red in summer	BB/CN	200 cm	
Acer palamatum 'Dissectum Viridis'	<a href="#">Cutleaf Japanese Maple</a>	finely cut, lacy lime-green leaves	BB/CN	100 cm	
Acer palmatum 'Dissectum Red Select'	<a href="#">Red Select Cutleaf Japanese Maple</a>	finely cut lacy burgundy leaves	BB/CN	100 cm	
Acer palmatum 'Emerald Lace'	<a href="#">Emerald Lace Japanese Maple</a>	finely cut bright green leaves with red petioles			
Acer palmatum 'Inaba Shidare'	<a href="#">Inaba Shidare Cutleaf Japanese Maple</a>	finely cut deep red leaves			
Acer palmatum 'Tamukeyama'	<a href="#">Tamukeyama Japanese Maple</a>	new foliage brilliant red, fading to a purple-green in summer, turning fiery shades in fall	BB/CN	100 cm	
Acer platanoides	<a href="#">Norway Maple</a>	dark green foliage, 30'			
Acer platanoides 'Crimson King'	<a href="#">Crimson King Norway Maple</a>	deep purple-red foliage all summer, 30'	WB	50 mm	
Acer platanoides 'Crimson Sentry'	<a href="#">Crimson Sentry Norway Maple</a>	pyramidal form of 'Crimson King', 30'			
Acer platanoides 'Deborah'	<a href="#">Deborah Norway Maple</a>	bronze purple foliage, 30'	WB	50 mm	
Acer platanoides 'Drummondii'	<a href="#">Harlequin Norway Maple</a>	green leaves are edged with white, 25'			

Botanic Name	Common Name	Noteable Characteristics	Pot Size	Height	Price
Acer platanoides 'Princeton Gold'	<a href="#">Princeton Gold Maple</a>	golden yellow foliage all summer			
Acer platanoides 'Royal Red'	<a href="#">Royal Red Norway Maple</a>	glassy maroon foliage, 30'			
Acer x freemanii 'Autumn Fantasy'	<a href="#">Autumn Fantasy Maple</a>	crimson red color in fall			
Acer x freemanii 'Jeffersred'	<a href="#">Autumn Blaze Maple</a>	brilliant orange-red in fall	3 gal		
			WB	50 mm	
Betula papyrifera '(clump)'	<a href="#">Clump Paper Birch</a>	white paper-like bark, multi-stem, 30'	3 gal		
			WB	50 mm	
Chamaecyparis nootkatensis 'Glauca'	<a href="#">Blue Nootka Cypress</a>				
Chamaecyparis nootkatensis 'Pendula'	<a href="#">Weeping Nootka Cypress</a>	arching branches			
Chamaecyparis obtusa 'Compacta'	<a href="#">Compact Hinoki Falsecypress</a>				
Cornus florida 'Cherokee Princess'	<a href="#">Cherokee Princess Flowering Dogwood</a>	huge yet delicate white blooms in spring			
Cornus kousa 'Satomi'	<a href="#">Satomi Chinese Dogwood</a>	large, showy deep pink flowers in spring	BB/CN	125 mm	
Cornus kousa 'Summer Fun'	<a href="#">Summer Fun Chinese Dogwood</a>	white blooms in late spring, green and white leaves, turning red and pink in fall	7 gal	175 cm	
Crataegus laevigata 'Paul's Scarlet'	<a href="#">Paul's Scarlet English Hawthorn</a>	double scarlet flowers, 15'			
Crataegus x mordenensis 'Toba'	<a href="#">Toba Hawthorn</a>	double flowers open white and change to pink			
Elaeagnus angustifolia	<a href="#">Russian Olive</a>	silver foliage, fragrant subtle yellow flowers and small silver berries			
Fagus sylvatica 'Dawyck Purple'	<a href="#">Dawyck Purple Beech</a>	tall, columnar tree with rich purple foliage			

Botanic Name	Common Name	Noteable Characteristics	Pot Size	Height	Price
Fagus sylvatica 'Purpurea'	<a href="#">Purple Beech</a>	wide spread tree with deep purple foliage			
Laburnum x watereri 'Vossii'	<a href="#">Golden Chain Tree</a>	yellow pendulant flowers	10 gal	200 cm	
Larix laricina	<a href="#">Larch / Tamarack</a>	deciduous conifer, needles start bright green in spring, turn gold in fall	3 gal		
Larix decidua 'Pendula'	<a href="#">Weeping European Larch / Common Larch</a>	deciduous tree with soft green pendulous foliage and branches			
Malus 'Harvest Gold'	<a href="#">Harvest Gold Flowering Crab</a>	white flowers in spring and golden fruit in fall			
Malus 'Freedom'	<a href="#">Freedom Apple</a>				
Malus 'Gala'	<a href="#">Gala Apple</a>				
Malus 'Honeycrisp'	<a href="#">Honeycrisp Apple</a>				
Malus 'Melba'	<a href="#">Melba Apple</a>				
Picea abies	<a href="#">Norway Spruce</a>		7 gal	80 cm	
Picea abies 'Pendula'	<a href="#">Weeping Norway Spruce</a>	pendulous branches of rich green foliage			
Picea glauca	<a href="#">White Spruce</a>	tall and stately with bluish-green needles; very hardy	3 gal		
			7 gal	60 cm	
Picea pungens 'Baby Blue'	<a href="#">Baby Blue Spruce</a>	slow growing, intense blue	6 gal	60 cm	
Picea pungens 'var. glauca'	<a href="#">Blue Colorado Spruce / Steel Blue Spruce</a>	very hardy evergreen	60 cm		
Picea pungens 'Bonny Blue'	<a href="#">Bonny Blue Blue Spruce</a>		WB	150 mm	
Picea pungens 'Fat Albert'	<a href="#">Fat Albert Blue Spruce</a>	outstanding blue foliage	5 gal	50 cm	
			WB	150 cm	
Pinus nigra	<a href="#">Austrian Pine</a>	excellent as specimen, very hardy	WB	175 mm	
			10 gal		

Botanic Name	Common Name	Noteable Characteristics	Pot Size	Height	Price
Pinus strobus	<a href="#">White Pine</a>				
Prunus cerasifera 'Newport'	<a href="#">Newport Plum</a>				
Prunus serrulata 'Kwanzan'	<a href="#">Kwanzan Flowering Cherry</a>				
Pyrus communis 'Bartlett'	<a href="#">Bartlett Pear</a>				
Pyrus communis 'Beurre Bosc'	<a href="#">Bosc Pear</a>				
Pyrus communis 'Clapp's Favorite'	<a href="#">Clapp's Favorite Pear</a>				
Pyrus communis 'Flemish Beauty'	<a href="#">Flemish Beauty Pear</a>				
Quercus robur 'Fastigiata'	<a href="#">Pyramidal English Oak</a>				
Quercus rubra	<a href="#">Red Oak</a>	dark green foliage, red in fall	WB	50 mm	
Sorbus aucuparia 'Michred'	<a href="#">Cardinal Royal Mountain Ash</a>	white flowers, red fruit, 20'	10 gal	300 mm	
Syringa reticulata 'Ivory Silk'	<a href="#">Ivory Silk Japanese Tree Lilac</a>	fragrant white blooms	WB	45 mm	
Thuja occidentalis 'Nigra'	<a href="#">Dark Green Arborvitae / Eastern White Cedar</a>	upright evergreen, dense dark green foliage	7 gal	100 cm	
Tilia cordata 'Greenspire'	<a href="#">Greenspire Linden</a>	narrow pyramid shape, 25'	10 gal	200mm	
Tilia x flavescens 'Glenleven'	<a href="#">Glenleven Linden</a>	oval pyramid shape, 25'	WB	60 mm
